

STEERING A COURSE:

The wind moves & circles... but if it holds steady this is what your course will look like. The **GREEN DOTTED LINE** is the desired course. The **RED SOLID LINE** is the actually course steered by the boat.

Exercise one

Draw in the sail configuration & Label the points of sail on the drawing below.

- **across the wind** (beam reach)
- **up-wind** (close hauled)
- **downwind** (broad reach)

Exercise two

Label the actions at each star.

- **Turning upwind**
- **Turning downwind**
- **Tacking**
- **Gybing**
